If your groom appreciates a more laid-back atmosphere and is okay with skipping the sandy beaches and high temperatures, this could be the perfect trip for your group. Even as one of the more expensive options, this trip is still reasonably priced.

Tampa Bay, Florida offers a truly amazing experience. Set among the sprawling bay and beaches, the surrounding Tampa area features ten different craft breweries to visit and some of the most famous Gentleman's Clubs in the whole country, including the iconic Mons Venus. With the expansive geography and travel costs that go with it, this is an incredible deal for all that is possible with this destination.

[New Orleans](#). What can be said that already hasn't? It is clearly among the world's top party spots. This particular package offers rooms directly off Bourbon Street as well as a welcome dinner with an open bar followed by an exclusive balcony tour complete with beads to welcome the reveling Bourbon Street ladies with. The trip also includes a private tour of the Abita Brewery with all you can drink at their tap room immediately following the tour.

Finally, and maybe the best feature of this trip is that 2 VIP passes to both of Larry Flynt's gentlemen's clubs on Bourbon Street are included. All these perks make New Orleans probably the best value for the money.

Jacksonville, Florida. The warm beaches and hopping nightlife of northern Florida's forgotten treasure offer the lowest hotel rates and a wide variety of options to explore. Six local microbreweries to visit and tour, dozens of beach bars, gentlemen's clubs, golf courses, and even an arena football game are all possible activities. For a guaranteed relaxing good time, this is a great option and is probably the most affordable of all our trips
